

# EXHIBITION CENTRE

**PC AREA**  
If your gaming preferences lean toward keyboards, mice and desks as opposed to controllers, d-pads and couches, perhaps you should hit the PC Area.

**CONSOLE AREAS**  
No matter what your preferred console is, you can be sure to find it here. Kick back with our freeplay library, step up to some comps, or slip into some retro gaming.

**HANDHELD LOUNGE**  
You may notice a few beanbags lying around PAX. Take advantage of their rich benefits. Move them around. Take a nap. Play 3DS games with your new buddy BlueSparkz4lyf.

**TABLETOP**  
Settlers of Catan, Munchkin, Magic the Gathering, Carcassonne, Dominion, Zombies...we could probably go on, but you probably get the picture.

**QUEUE ROOM**  
If you get to the show early and want to assault the Expo Hall first, the Queue Room will be your first stop. You can also get swag bags here from Tiam, or collect signatures at various autograph sessions over the weekend.

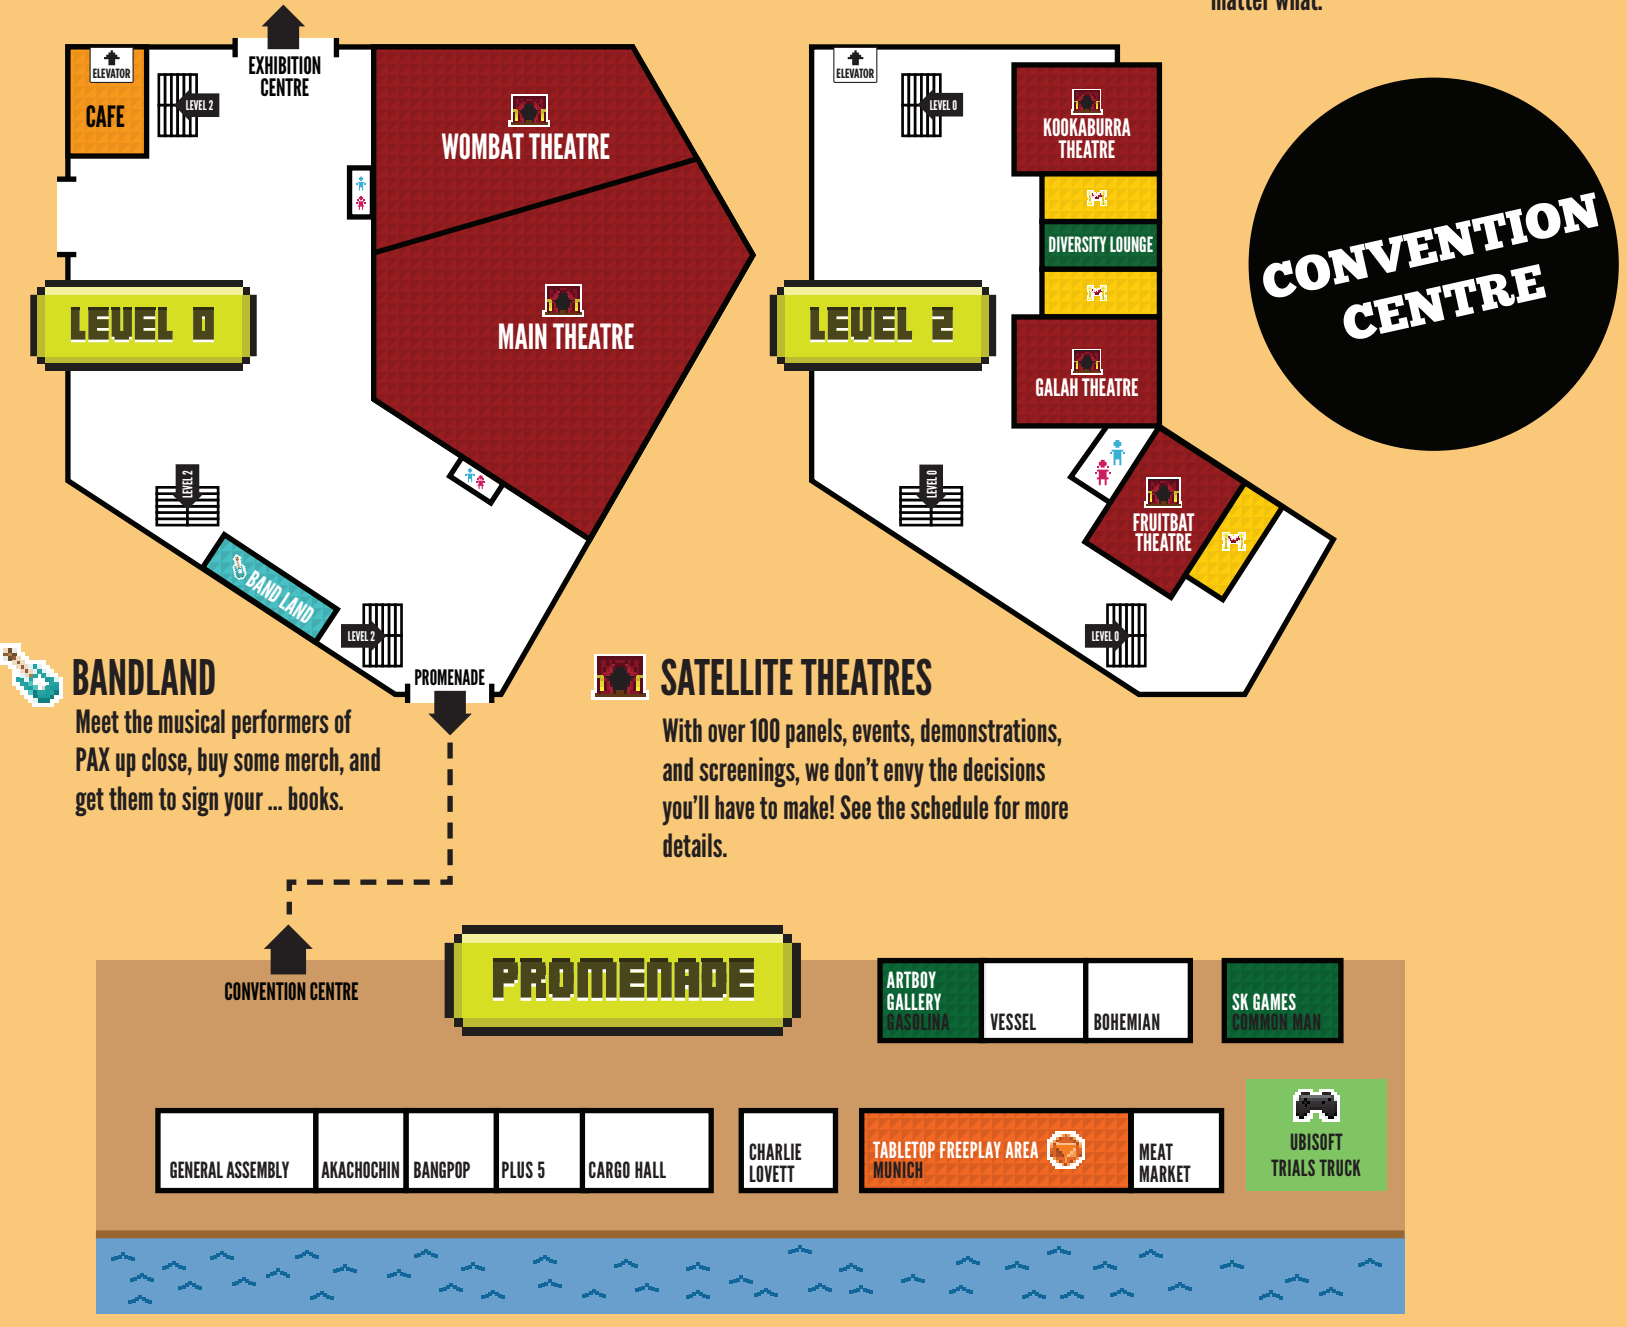

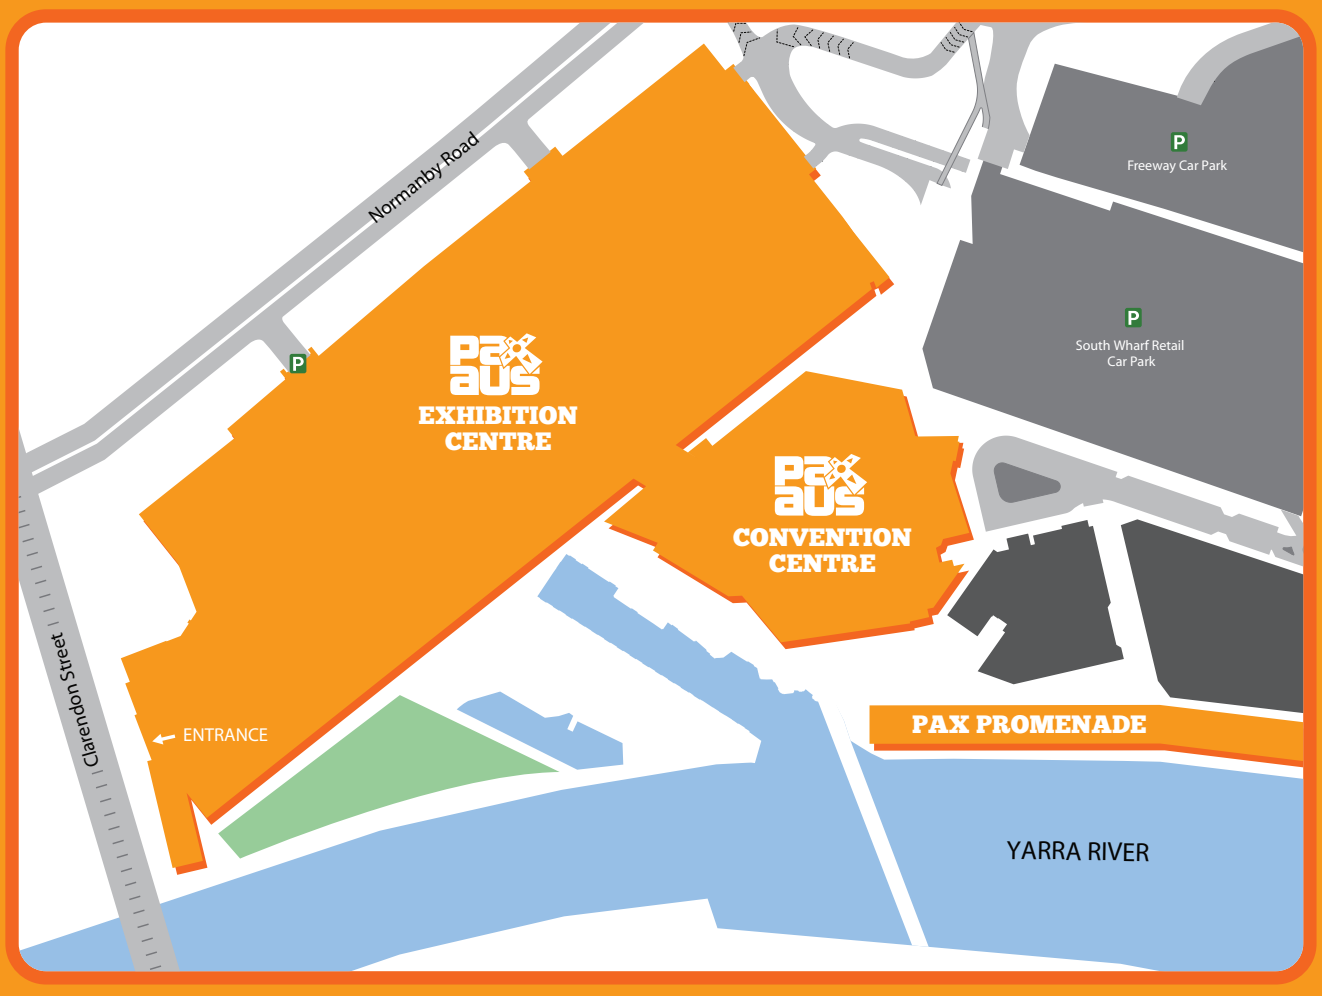

**MERCH BOOTH**  
Looking for official PAX swag? Look no further!

**INFO DESK**  
Got any questions? Lose something? The kind info desk souls can help you.

**PINNY ARCADE**  
Looking for a place to start your Pinny Arcade obsession... collection? Find official and exclusive pins in these areas.

**DIVERSITY LOUNGE**  
Unlockable achievements here include "Become an Ally", "Meet your community", and "Gaming is for everyone". You win no matter what.
